## THE HAMPTON

### COURAGE HOMES THE HAMPTON

A Pacific Island home with a nod to the Modern Thai style, the “Hampton Townhouse” is the latest in the Courage Homes range. The central courtyard-kitchen-living room and main bedroom are built around the pool creating natural light through these areas. Clever design has provided a series of linked spaces that flow into one another, so that residents can move through to suit their mood. The design of this pavilion home is so very versatile it would settle beautifully on an acreage site with a view from every room or clustered around a pool on a small townhouse block.
